HDT

Heavy Duty Traders is a premier specialist in the field of undercarriage repair and refurbishment for Caterpillar® Komatsu® and many other mining equipment around the world.

HDT

At HDT we pride ourselves on providing used / reman undercarriage components with exceptional quality, capable of handling the roughest and toughest of terrains.

HDT

Our new & used equipment inventory depots includes mining attachments for Cat, Komatsu & Hitachi machines. If we don't have the attachment you need in our inventory, we will locate a unit that fits your requirements.
